## NETWORK / SYSTEMS ADMINISTRATOR

Dedicated and motivated professional with five years of customer service and administrative experience. Reliable team player with strong work ethic, attention to detail, and the ability to multitask effectively in fast-paced, high-pressure environments. Proficient in Microsoft Office suite, data entry, business consulting, and basic office operations. Committed to providing excellent service and contributing to organizational success.

## EXPERIENCE

### Retail Sales Associate

Spirit Halloween

Oct 2021 - Nov 2021

- Greeted customers, assisted with product selection, supported sales transactions, and upheld store presentation standards. Helped set up and support special in-store events.

### Retail Sales Associate

Party City

Feb 2024 - Dec 2024

- Operated cash registers, processed transactions, and handled cash accurately. Set up planograms and maintained endcap displays according to store standards. Restocked merchandise, including use of ladders for inventory retrieval. Utilized helium systems to prepare balloon orders for customers.

### Business Consultant

Selah Group LLC

Jun 2023 - Aug 2025

- Provide administrative and operational support such as scheduling, email management, and document preparation. Assist with strategic planning, research, and business development. Maintain records, manage client databases, and prepare reports. Coordinate communication among clients, vendors, and internal teams for smooth project execution. Support marketing by creating and managing social media content and branding materials. Perform general office duties including filing, data entry, and handling confidential information with discretion.
